Sir,

This is with reference to your letter No. IEI/DSC/CSJ/2000 dt. 22.12.2000 to our Member Secretary with regard to recognition of AMIE. I would like to bring for your information the following:

"The equivalence of AMIE will be approved either by the Board of Assessment, MHRD or by the Association of Indian Universities for employment and other purposes and for academic equivalence respectively".

In view of this, the approval of AICTE does not arise in this regard.

With regards,

Yours sincerely,
