

STUDY MATERIAL FOR RECRUITMENT EXAMS

AMIE(I)

STUDY CIRCLE(REGD.)

A SWISS KNIFE FOR RECRUITMENT EXAMS

Dear student,

Our study material for recruitment exams is a scientifically structured material which comprehensively covers all topics as per the format of the written test. The intention of this course is to provide extensive preparation and practice on all papers - objective, conventional, quantitative aptitude and general awareness. **The course is a mix of both offline (printed course) and online mode.** Each of the topics is treated in sufficient depth to facilitate understanding and provide confidence to aspirants.

In our constant endeavour to impart qualitative inputs to readers preparing for recruitment examinations, we have provided online support also. Please visit us at **www.amiestudycircle.com** for our extensive online support. With an objective to familiarize candidates with the current trends in examination and types of questions asked therein, we have provided the latest question papers/model test papers in our online section. These test papers will help students to assess their level of preparation. Mock test papers are also provided.

Faculty. Crafting this preparatory course has been a team effort. The team constitutes retired faculty from IIT, Roorkee and eminent engineers from PSUs/Government institutions and scientists from research institutes.
